REMARKS

By Class Teacher:	<p>Manmeet is self-motivated student. He is interested in his own learning; listens attentively, and makes a solid effort to avoid distractions that could interrupt the learning process. He is focused during class and contributes ideas willingly. He is regular and attentive in class. Do not focus on what you cannot do; take a look at what you are capable of. You will feel confident and learn new things along your way.</p>
By Principal:	<p><i>Very good! Dream big, work hard and make it success.</i></p>
